**The California Consumer Privacy Act (CCPA) in the Context of Global Privacy Regulation**

In this session, we will explore the implications of the California Consumer Privacy Act (CCPA) in the context of global privacy regulation. All eyes are now on this new California law and the impact it will have. How is the law viewed by the FTC? By regulators in the EU? By Congress? By other states and other countries? How is the landscape for privacy regulation going to change as a result of this new law?
